

REBUILDING BRITAIN

Labour will put more
bobbies on the beat.

 Labour

REBUILDING BRITAIN
FOR THE MANY NOT THE FEW

LAW & ORDER

Labour will stand up for safer communities and for the victims of crime

THE TORIES HAVE A DISASTROUS RECORD ON LAW AND ORDER

- OVER 21,000 POLICE OFFICERS AXED SINCE 2010
- SERIOUS AND VIOLENT CRIME RISING
- PRISONS ARE DANGEROUSLY OVERCROWDED AND UNDERSTAFFED

Labour will:

- Hire 10,000 extra police officers to prioritise neighbourhood policing
- Strengthen the rights of victims, and ensure the justice system works for all
- Tackle the prison crisis by employing more staff and improving their wages
