

REBUILDING BRITAIN

Labour will deliver
better services and
value for money
for passengers and
road users.

 Labour

REBUILDING BRITAIN
FOR THE MANY NOT THE FEW

TRANSPORT

Labour will deliver better services and value for money

THE TORIES HAVE FAILED ON TRANSPORT

PUBLIC MONEY IS BEING WASTED,
AND PROMISED INVESTMENT IS
NOT BEING DELIVERED.

NETWORKS ARE IN CHAOS AND MAJOR
PROJECTS HAVE STALLED OR
BEEN SCRAPPED.

Labour will:

- Bring railways into public ownership to improve services and cap fares
- Provide free bus travel for under 25s
- Upgrade our road networks
- Redevelop our National Cycle Network
