REBUILDING BRITAIN
FOR THE MANY NOT THE FEW

The Tories have failed to protect frontline policing and are threatening our safety:

- ▶ Billions of pounds slashed
- ▶ Violent crime up
- ▶ Thousands of police officers axed since 2010
- ▶ Rise in robbery and burglary offences

You can't keep people safe on the cheap.

Labour will:

- ▶ Hire 10,000 extra officers
- ▶ Support neighbourhood policing
- ▶ Properly fund community services
- ▶ Give police the resources they need to keep people safe
