

LABOUR OUR HIGH STREETS

Labour will invest in our town centres again

- ✓ Introduce fairer business rates to support high streets, independent shops, markets and pubs
- ✓ Improve bus services, and make bus travel free for under-25s
- ✓ Put more police on the beat to keep streets safe
- ✓ Create regional development banks to invest in communities and local businesses
- ✓ Ban cash machine charges and stop bank and post office closures

 Labour

REBUILDING BRITAIN
FOR THE MANY NOT THE FEW

HIGH STREETS AND BUSINESSES ACROSS AMBER VALLEY ARE SUFFERING.

Under the Tories, shops are closing down, jobs are being lost and the hearts of our communities are being ripped out.
