

Labour

will put **people**
before privilege

 Labour

FOR THE MANY NOT THE FEW

BRITAIN IS AT A CROSSROADS

THE CHOICE AT THE COMING ELECTION IS CLEAR

THE TORIES ARE IN CHAOS AND OUR COUNTRY IS IN CRISIS

Boris Johnson's Conservatives want to drive our country over a cliff edge.

His reckless leadership will take us towards a disastrous Brexit so the Tories can sell our rights and the NHS to Donald Trump.

Boris Johnson's Conservatives only look after the privileged few.

Labour will put people before privilege:

- ✓ End the Brexit crisis by taking the decision back to the people, with the choice of a credible Leave offer or Remain
- ✓ Build a country that rewards workers, pensioners and those in need, not just the very richest
- ✓ Deliver properly funded, world class public services run for people not profit
- ✓ Invest in every community, attracting businesses, jobs and giving people the skills to succeed
- ✓ Kick start a Green Industrial Revolution to tackle the climate emergency and create high skilled, high wage jobs
