

**Labour will always
be on your side**

**THE TORIES WILL
ONLY EVER REWARD
A PRIVILEGED FEW**

Vote  Labour Thursday 12 December

IT'S TIME FOR REAL CHANGE

YOU CAN'T TRUST BORIS JOHNSON.

**After years of
Conservative
cuts to vital
services and
tax handouts
for the rich,
Labour will be
on your side.**

THE TORIES ONLY STAND UP FOR A PRIVILEGED FEW. SINCE THEY CAME TO POWER:

- ✗ Real wages are lower than they were in 2010
- ✗ A record number of people in working households are in poverty
- ✗ The richest have seen incomes grow by 5%

Labour will:

- ✓ Immediately introduce a Real Living Wage of £10 an hour for all workers
- ✓ Invest in infrastructure, skills and new technology to create hundreds of thousands of jobs
- ✓ Guarantee no increases in VAT, personal National Insurance contributions or income tax for 95% of earners
