

# LABOUR WILL BAN FRACKING IN BRITAIN

Vote  Labour Thursday 12 December IT'S TIME FOR REAL CHANGE

Boris Johnson promised to ban fracking but all he has done is paused it.

**You can't trust Boris Johnson.**

**EARTHQUAKES**

**CONTAMINATED WATER**

**POLLUTION**

**The next Labour Government will ban fracking completely.**

Labour will kickstart a Green Industrial Revolution to invest in green technologies and the jobs of the future, rather than dirty fossil fuels.

Stand with us and tell the Tories to ban fracking now at [labour.org.uk/ban-fracking](https://labour.org.uk/ban-fracking)
