

# 13 YEARS OF CONSERVATIVE GOVERNMENT HAS LEFT YOU WORSE OFF

Families are struggling with the cost of living. Skyrocketing energy and mortgage bills are hitting households hard. Criminals are being let off while victims are let down. The NHS has been pushed to the brink and patients are waiting longer than ever.

The Conservatives don't have a plan. They crashed the economy and they're leaving working people to pay the price. All they offer is more chaos and more division.

The Conservatives are out of touch, out of ideas and out of time.

## **BUILD AN NHS FIT FOR THE FUTURE**

by cutting waiting lists and speeding up treatment so that people can get a GP appointment or an ambulance fast – because people are waiting too long in pain.

### **WITH LABOUR**

### **WITH LABOUR**

- ✔ Create 500,000 new, skilled jobs in the industries of the future, rebuilding the strength of our industrial heartlands.
- ✔ Energy security so we're not dependent on dictators like Putin.

## **BREAK DOWN THE BARRIERS TO OPPORTUNITY AT EVERY STAGE**

for every child with high-quality childcare and great schools available in every community.

### **WITH LABOUR**
