

## With Labour

- ✔ Raising the minimum wage for three million people by up to £1,400 a year.
- ✔ Right to parental leave from day one of your job, so new mums and dads can spend time with their family.
- ✔ Banning exploitative zero hours contracts, so people have clear working hours and the security of a wage each month.
- ✔ **Labour will put more money in the pockets of working people through our Plan for Change.**

## The Conservatives left working people worse off

- ✘ 14 years of the Tories left the average worker £700 worse off.
- ✘ Pitted workers against business, leading to the worst strike disruption in decades.
- ✘ Described maternity pay as “excessive” and the minimum wage as a “burden”.
- ✘ **They haven’t changed and would take Britain backwards.**
